# Welcome Summer Readers!

Summer Reading at Westerly Library & Wilcox Park is a fun celebration of reading and storytelling! The Kids Summer Reading Program for ages 0-8 will run from June 28<sup>th</sup> until August 31<sup>st</sup>. Throughout the summer, Kids will complete reading logs and activities related to this year's theme "Level Up at Your Library" to earn tickets towards fun giveaways!

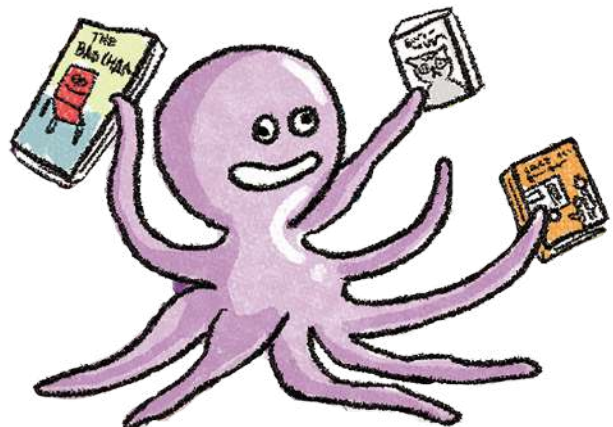

Please note, Kid's summer reading will be measured in 15-minute increments. This includes anytime a child is read aloud to by a caregiver, listens to an audiobook or Playaway, or reads any format on their own including picture books, magazines, comics and graphic novels, easy reader books, and more. Caregivers and kids are encouraged to choose any book that sparks their interest or curiosity and to have fun!

This summer's theme is "Level Up at Your Library" focused on games and adventures of all types! Throughout July and August "Family Games Galore!" will be held on Tuesdays from 2-3pm in the Terrace Room for families to learn ready to play games including a new featured game each week! Join us for this new program and many more programs and events for Kids this summer at Westerly Library.

If you have any questions or concerns, please call the Kid's Information Desk (401)596-2877 ext. 316 or email [jrisica@westerlylibrary.org](mailto:jrisica@westerlylibrary.org).

Wishing you a wonderful summer,
