

Westerly Library & Wilcox Park
Park Dedication Form

Memorials are available for the purpose of remembering or honoring a person, persons, pet, organization, or event. All dedications of newly planted and mature tree adoptions will be acknowledged in the Memorial Album. Newly planted memorial trees and shrubs will be marked with a tag attached noting the dedication. Tags will not be attached to mature adopted trees. For new plantings, the donor has the option to coordinate a tree/shrub planting ceremony in collaboration with the Park Superintendent.

Wilcox Park will determine the type and location of newly planted trees and shrubs in conjunction with input from the donor, but full discretion for type and location of the plant remains with the Wilcox Park Superintendent.

Wilcox Park will maintain all trees and shrubs in a customary manner. In the event a dedicated tree or shrub grouping dies within 5 years of planting, it will be replaced by the Association and the memorial maintained. Mature tree adoptees will be acknowledged during the natural lifespan of that tree.

Amounts of contributions for Trees and Shrubs in excess of the cost of purchasing and planting trees or shrubs are retained in the Landscaping and Treework Account with such funds allocated to the care of all the woody and herbaceous plants in Wilcox Park.

Park Sponsorships are also available from \$250+ and support tree health treatments and other maintenance efforts. For more information, please contact Alan Peck, Park Superintendent: apec@westerlylibrary.org, 401-596-2877 x334
